Welcome! Thank you for your interest in Our Lady of the Snows School! It is a wonderful school, and we want to invite your family to consider joining our school family. Our Lady of the Snows School is the only Catholic school located in Miller County and currently serves families across a large area of rural Missouri from Brazito to Eterville and across the Osage River near Ulman and Brumley. Our Lady of the Snows has a proud history of being the "heart and soul" of Mary's Home MO and the surrounding communities.

Our Lady of the Snows is a school where the bonds of faith and community have been formed, are valued, and continue to be reinforced. It is part of a vibrant and vital parish with devoted parishioners, committed families, and hard-working volunteers who are continually engaged in supporting their parish and school through its faith opportunities, annual parish picnic, social functions, and numerous other activities. The parish and community has worked incredibly hard to keep their Catholic school alive and well. The presence of a flourishing school is an incredible asset for any community, but especially one which is based on teaching faith and stewardship to the next generation.

There are two new buildings and playgrounds on campus, an energetic and enthusiastic leadership team who have found grants and funding sources for new technology and physical facility improvements, and an outreach program which has provided many enrichment and extracurricular programs for our students, including archery, computer coding, and journalism as well as basketball, cheerleading, and student government.

We are especially blessed with an experienced and dedicated team of staff members, including many alumni who have felt the call to return and give back to their community. In fact, our early childhood program from Preschool through Grade 2, has an exceptionally talented and well-qualified group of teachers, Mrs. Pam Goose, Mrs. Tricia Berendzen Belshe, and Mrs. Marianna Kliethermes Werdehausen, who are focused on literacy and faith instruction.

Please visit or contact us at Our Lady of the Snows School, 276 Hwy H., Eugene MO 65032, (573) 498-3574, and/or mburgess@olosschool.org. Thank you for your interest and consideration.

Sincerely,

Mrs. Mary Burgess, Interim Principal
Mrs. Lucinda Limbach Varner, Incoming 22-23 Principal

PS. Here is a student testimony from one of our current 8th grade students. *"I would like to share with you why I love my school. The big reason is that it is so inviting. The staff and students are all great people. Everyone looks out for each other and are respectful to one another. We are getting a good education for the future. Everyone is always willing to lend a hand to someone. The food, activities, and all the other things are great. Finally, we are getting a great Catholic education. This school is teaching us all the right things to do in life."*
