Dear Our Lady of the Snows School Families and Friends,  
EXCITING NEWS-The leadership of Our Lady of the Snows Parish and School have been working together with the leadership of the Cole R-V School District into possibly working out a plan for **joint bus transportation** for the children of Our Lady of the Snows School. We are in the midst of surveying our current and prospective families about their interest in possible bus transportation. **Please return your survey or contact the school office at 498-3574 or at [mburgess@olosschool.org](mailto:mburgess@olosschool.org) by Fri. Mar. 25, if you would like or are interested in this option for your family.**

Please complete the following survey asking for your opinion and/or interest about possible bus transportation

Family Name \_\_\_\_\_

Address \_\_\_\_\_

1. Is your home located on a current Cole R-V bus route? \_\_\_\_\_ If so, do you happen to know the number of that bus route? For example, Bus route #1 is the one that picks up students on Old Ten Mile Rd.
2. \_\_\_\_\_ Yes, we would like our children to be able to ride on the Cole R-V bus.
3. \_\_\_\_\_ Yes, we are interested in learning more about a possible bus option.
4. \_\_\_\_\_ At this time, we are unsure if our children would ride the Cole R-V bus if this service would be available.
5. \_\_\_\_\_ No, we would not need or use the Cole R-V bus.

At this point, we do not have all the answers to any questions you may have. Our first step is to find out if there is significant interest, and if there is, we need to know the number of children involved and their location on any current bus routes. Once we have this information, we hope to be able to work out the practical details with the leadership of Cole R-V.
