

OUR LADY OF THE SNOWS PARISH & SCHOOL

274 Highway H, Eugene, MO 65032-4231

Dear Parishioners and Parents and well-wishers,

Greetings!

I have almost completed one year as Pastor of Mary's Home and Administrator of Our Lady of Snows School. From my short experience I can tell that Our Lady of the Snows school is one of the best Catholic schools in the diocese and a jewel of the neighborhood.

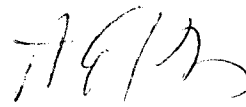

At this junction of the end of academic year 2021-2022 and beginning of the new academic year 2022-2023, I would like to recall that our Parish has been blessed to have a School and which is run by the generous support and contributions by the parish families of Our Lady of the Snows. As Pastor of the parish and Administrator of School I sincerely thank all of you for the financial assistance you have provided over the years to keep our school going. And I do look forward to your financial and moral support to keep this school active and vibrant not only for next year but also for many years to come in the future.

Providing Catholic education to children Christians and non-Christians alike is one of the vital ministries of the Church. In mission countries like my home diocese, a catholic school is the first thing that comes into existence in a totally new place before a parish. And running a school is filled with challenges depending upon the local situation. I am glad that our parish has taken this challenge in the spirit of commitment to Christ and His church and continues the very ministry amidst all challenges. I appreciate you all very much for your stewardship and tithing towards the challenging ministry of the church.

As parishioners, parents and well-wishers of Our Lady of the Snows School let us ask ourselves if we are doing all we can financially and morally, to keep our school running and vibrant.

May God Bless you and your family abundantly,

Sincerely yours in Christ,

Fr. Alex Ekka 03/09/2022
