Best Advent Ever -Dynamic Catholic This year Dynamic Catholic is leading **Best Advent Ever** and **Best Christmas Ever**. These are daily reflections to spiritually boost this Christmas season. Most people spend the time leading up to Christmas feeling overwhelmed, stressed, and stuck. Caught in the complexity and busyness of the holiday season, we end up striving for all the things that aren't worth having. It's no wonder the beauty, meaning, joy and life-changing power of Christmas has become lost! This year, do something different. Reclaim the peace that can only come from simplicity this Christmas. Sign up for BEST ADVENT EVER and receive short, inspiring videos in your inbox every morning for free to help you focus your day on what matters most. We've created not one, but TWO fantastic experiences for you this year. You can choose one or do both, but one of these paths is perfect for someone in your life. So share them boldly and journey toward a peaceful Christmas together! Go to dynamiccatholic.com to get started!

Stewardship

Be patient, therefore, brothers, until the coming of the Lord.
 See how the farmer waits for the precious fruit of the earth,
 being patient with it until it receives the early
 and the late rains.

You too must be patient. Make your hearts firm,
 because the coming of the Lord is at hand.

James 5: 7-8

During **National Vocation Awareness Week**, the Diocese of Jefferson City shared **religious vocation stories** from across our diocese. Go to <https://diojeffcity.org/vocation-stories/> to read the full stories of not only Sister Wegman but of other priests and sisters who serve the Church in the Diocese of Jefferson City.

Read Sister Kathleen Wegman's whole story: I was intrigued by the joy, sense of community and ministry of the School Sisters of Notre Dame I had at Helias High School. I was especially attracted to the fact that they were deeply influenced by being members of an international congregation. The more time I spent with them, both in and out of school I began to feel a synergy, a sense of belonging. I sensed their love of God, of each other and passion for teaching. As that attraction grew within me I talked with God about it. I found myself taking time alone to be with God and asking God to make clear to me what was happening within me. I talked to one of the sisters about it, she confirmed that God may indeed be drawing me to SSND. My parents were supportive of a possible call to religious life. Over time, I just knew I must at least give it a try and trusted I would know each step along the way. I was not disappointed, God did and continues to show me the way each day of my life.

"The more time I spent with [the School Sisters of Notre Dame], both in and out of school, I began to feel a synergy, a sense of belonging. I sensed their love of God, of each other and passion for teaching... Over time, I just knew I must at least give it a try and trusted I would know each step along the way."
